StoryChain Privacy Policy

Effective Date: March 1st, 2023

StoryChain LTD ("StoryChain," "we," "us," or "our") values your privacy. This Privacy Policy outlines how we collect, use, and share your Personal Data (as defined below) in connection with the StoryChain website, mobile app, and other software provided as part of our services (collectively, the "Service").

1. Types of Data We Collect

We collect two types of data: Personal Data and Anonymous Data. Personal Data includes information that identifies you individually, such as blockchain address. Anonymous Data is not linked to your identity and includes aggregated and de-identified information.

2. Use of Your Personal Data

We use your Personal Data to run our business, provide the Service, personalize your experience, and improve our offerings. This includes facilitating account creation, providing customer support, detecting fraud, and sending notifications related to your account activity.

3. Disclosure of Your Personal Data

We may share your Personal Data with third-party service providers, affiliates, and in connection with corporate restructuring or legal requirements. We do not sell your Personal Data to third parties.

4. Your Choices Regarding Information

You have rights under applicable data protection laws to access, rectify, or delete your Personal Data.

5. Data Protection

We employ physical, administrative, and technological safeguards to protect your information, although no system is entirely immune to breaches. We urge you to maintain the security of your digital wallet.

6. Minors

Our Service is intended for users aged 18 and above. We do not knowingly collect Personal Data from individuals under the age of 13. Minors aged 13 to 18 may use our Service with the involvement of a parent or guardian.

7. Changes to This Privacy Policy

We may update this Privacy Policy periodically, and any changes will be posted on our website. You are responsible for reviewing the Privacy Policy regularly to stay informed of any updates.

8. Questions and Contact

If you have questions or concerns about our Privacy Policy or data practices, or wish to report a security violation, please contact us at admin@storychain.ai

Thank you for trusting StoryChain with your information.
